*Which dress  
should you  
marry?*

The search for your dream gown should be one of the most exciting parts of wedding planning! Being prepared for your bridal visit is one of the best ways to lower your wedding stress!

## *Choose your Bride Tribe Wisely*

Smaller is better! It's best to bring a few people whose opinions you trust – too many voices can be confusing. Make sure you're bringing with you the people you want there when you say, Yes! Guests are limited to 3-4 due to Covid restrictions.

## *Keep An Open Mind*

Don't be afraid to try different styles! Many brides come in with certain expectations and leave with something very different – You never know what you'll fall in love with!

## *Remember - Size is Just a Number!*

Most bridal sizing runs 2 sizes smaller than street sizing, meaning if you're a size 10 regularly, you are a bridal 14 – which is right where our sizing starts! Don't let the numbers bother you! Your size does not determine your beauty or your WORTH!
